ACHIEVE

AIA Achieve is an interactive distance learning course helping students to achieve the AIA Professional Accountancy Qualification, the AIA QCF Qualifications and the AIA Recognised Professional Qualification (RPQ) for audit.

AIA Achieve will guide your learning in preparation for the AIA exams, giving you access to feedback, advice and support from a specialist team of e-Tutors; and ensuring that you get the maximum benefit from your study.

AIA Achieve has been created in collaboration with BPP Learning Media, who have extensive experience of publishing study materials for professional exams and have a direct understanding of the AIA syllabus through publishing our study texts and e-Books.

AIA Achieve is designed to be used in conjunction with the AIA Essential Reading List, syllabus and the Teaching & Learning Guide, and can also be used to compliment study with an AIA Approved Study Provider.

Each AIA Achieve course includes:

- e-Book
- Course e-Book
- Personal Study Planner
- Access to an e-Tutor
- Marked practice questions
- Mock exam with written feedback

AIA PASS PLEDGE

AIA is so confident that AIA Achieve will help you to pass the exams, we are offering an introductory AIA Pass Pledge. If you enrol in AIA Achieve; submit your practice questions on time, achieve 45 marks or more in your mock exam, and you still fail the public exam, we will offer you a free exam entry to resit the paper at the next session.
